**2016  
SCHOOL PERFORMANCE DATA  
ANNUAL REPORT  
TO PARENTS AND COMMUNITY**

(Unless otherwise stated this data is correct to 30 November 2016)

Dear Parents,

The Australian Government accountability regulations require schools to report information on school performance to their community. This report will be an annual report that will be made available every year in the future to all members of our school community.

Some of the information included in this report has already been shared with the school community at events such as: Parent Group meetings and through publications such as the school's newsletter and website.

Good Shepherd Catholic Primary School was established in 1977 by the Loreto Sisters and is located in Kelmscott. The school is a single co-educational primary school (K-6) with an enrolment of 216 students. The school is currently completing a four-year Strategic Plan (2012 - 2015) with a focus on effective faith formation, education, pastoral care and management. The Religious Education program provides opportunity for liturgical celebrations and support for the sacramental program. As part of the ongoing mission of the Church, Good Shepherd sees the importance of Evangelisation. The school offers a comprehensive educational program including the specialist areas of Music, Physical Education, Science and LOTE (Italian). Incursions, camps and excursions enhance the child's learning and social development. The school identifies the importance of parental involvement through an active 'Parent and Friends Association' with their role being a well balanced mix of community building and fundraising. The school is enriched by a supportive school board.
