Welcome to our eNewsletter

Term 3 Week 2

Dear Parents and Carers,

This fortnight we are trialling a new newsletter format. Check out our news and tips below. We'd love your feedback.

It's been a wonderful start to the school term, and we welcome our new and returning staff. Meet Mrs. Darlene Min our new Assistant Principal in the newsletter below. We also welcome Mrs Alison Romagnolo who will be undertaking the Science Specialist role.

It was terrific to see the high standard of uniform for the School Photos on Monday and staff will be following this up and ensuring the standard continues for the remainder of the year. We want to develop our students sense of belonging in the school by proudly wearing their uniform. Staff will be sending home reminder slips for students whose uniform falls outside the policy standard. We ask if these can please be attended to as soon as possible.

Are you waiting in line in the carpark each afternoon? Earlier this year, each family was issued with a sun visor tag to assist students with the smooth transition from the car park. These tags make a great difference to how efficiently and safely we can move the students at the end of each day. Please assist our staff by using the visor tags on approaching the drop-off shed.

God bless

Andrew Colley

Principal

The Fathering Project

Male role models are vitally important in raising our children. A special guest will be coming to talk to the community at **P&F on Tuesday evening 6pm** about the Fathering Project. We'd love to see lots of dads there.

Michael Grose has an interesting article on the importance of father figures in children's lives.
